REGISTERED CONTRACTOR SUB LIST ABBREVIATED

Instructions

Please choose the form that fits your job. This form is the long version and the listed categories parallel the typical job specification documents. For your convenience there is an abbreviated form that can be used for smaller jobs.

1. For applicable categories, fill out the contractor's name and registration number completely
2. If, at the time of the application, the contractor has not been determined, please indicate by placing TBD in the contractor field
3. If a category does not apply, please strike through or place N/A in the contractor field
